TAKE THE SURVEY

Directions:

1. Fast & Easy - Complete the 10-minute survey in one sitting. Click "Next" after each question, and watch the progress bar at the bottom.
2. Go to the Edges - For each question, select a button from "Not at all like me" to "Very much like me." The closer you are to the edges, the more accurate your results will be - but it's okay to choose the middle if it feels right.
3. Be Yourself - There are no right or wrong answers. If unsure, trust your gut!
